COMTRAWING SIX INSTRUCTION 4200.2

From: Commander, Training Air Wing SIX

Subj: LOCAL INTERNAL OPERATING PROCEDURES FOR THE AVIATION  
INTO-PLANE REIMBURSEMENT (AIR) CARD PROGRAM

Ref: (a) DON AIR Card Instruction (NAVSUPINST 4200.97)  
(b) CNATRAININST 3700.2D

Encl: (1) AIR Card User Statement of Understanding  
(2) AIR Card User Guidance

1. Purpose. To provide guidance on policies and procedures for the appropriate management, operation, and use of the AIR Card as delineated in references (a) and (b).

2. Cancellation. COMTRAWINGSIXINST 3760.1C

3. Scope. This instruction applies to all activities and personnel assigned under the purview of Training Air Wing (TRAWING) SIX.

4. Background. The AIR Card Program serves as an identification, order and/or purchase instrument and payment mechanism. The AIR Card Program provides a commercially accepted, effective, and convenient method to procure aviation fuel and related ground services and supplies for DON owned aircraft.

5. Policy

a. The AIR Card is the only authorized card used to purchase aviation fuel, fuel related supplies, and ground services for DON owned aircraft from Defense Energy Support Center (DESC) Into-Plane contract sites and non-contract locations. Its use is mandatory at all DESC Into-Plane contract locations that accept the AIR card for procurement of aviation fuel and at DOD installations where Automated Data Capture (ADC) equipment is used. Only military and DoD civilian personnel are authorized users of the AIR card.

b. AIR cards are assigned to aircraft, not individuals, and must remain with the aircraft assigned. The AIR card is embossed with that aircraft's tail number or Bureau Number (BUNO).

JUL 30 2009

(1) The Air Card and the contents of the Flight Packets will be controlled, inventoried and issued in accordance with reference (b) by the appropriate Maintenance Control Contractors. Any questions concerning particular procurement documents should be directed to the Wing Budget Office at 452-2876/2877.

(2) Any Aircraft (ANY ACFT) cards may also be assigned to specific units rather than aircraft and are labeled as "ANY ACFT" which allows any aircraft to refuel using that card.

c. Priority Resources. Whenever possible, military installations aviation fuel resources and related services shall be used first. The following is the order of priority for refueling.

	Permissible Source	Method of Payment
1	Military Installations	Identaplate/AIR Card
2	DESC Into-Plane Contracts	AIR Card
3	Non-contracted FBO	AIR Card

d. Contract/Non-Contract Locations. AIR Cards can be used at both DESC Into-Plane contract locations and accepting non-contracting airports worldwide.

(1) Contract Locations. Into-Plane contracts are established for instances when military resources are unavailable. Aircrews shall restrict fuel and service purchases to DESC Into-Plane contractors at commercial airports where DESC Into-Plane contract fuel is available. Aircrews are authorized to purchase fuel and services from any available source or AIR card merchant when no DESC Into-Plane contract exists at the commercial airport location.

(2) Non-Contract Locations. When fueling must occur at non-DESC contracted locations and an AIR card-accepting merchant is not available, the aircrew is authorized to use the U.S. Government Purchase Order - Invoice - Voucher (SF44).

e. Authorized Fuel Purchases

- (1) Aviation fuel
- (2) Callout fees
- (3) Flowage fees
- (4) Overtime charges (only in conjunction with refueling, if a squadron fails to show up and overtime fees are charged, the unit/wing/squadron will be liable for these charges)

- (5) Rapid/hot refueling fees

JUL 30 2009

(6) Taxes. Effective 1 October 2005, DON military aircraft are exempt from paying Federal Excise Tax (FET) at the point of sale on aviation fuel.

f. Authorized Non-Fuel Purchases

(1) Aircraft housekeeping or cleaning services (trash collection, vacuuming, lavatory servicing, potable water, etc)

(2) Aircraft landing fees

(3) Aviator breathing oxygen (ABO)

(4) De-icing service

(5) Defuel and refuel service fees

(6) Necessary ground equipment services (GPU, baggage conveyer belt, electrical grounding hookup, stairs, start carts, etc.)

(7) Hydraulic fluids

(8) Lubrication oils, both synthetic and petroleum based

(9) Parking fees

(10) Ramp fees

(11) Security services for the aircraft at the airport or airfield

(12) Slot time fees

(13) Custom fees (if paid by the refueling vendor)

(14) Catering on passenger flights for passengers only

(15) Supplies (maps, navigational aids, etc.)

g. Un-Authorized Purchases

(1) Transactions not performed as official DON business

(2) Transactions for unauthorized fuel products and ground services

(3) Transactions for fuel quantities that exceed the aircraft capacity

(4) Transactions for meals, food, beverage, tobacco, and alcohol

(5) Taxi or shuttle service

h. Best Practices

(1) Plan your flight utilizing the Into-Plane guidance (DoD locations) or on the Multi Service website for commercial merchants

(2) Report any lost/stolen/defective cards to the Wing Budget Office immediately.

(3) Ensure that you validate receipts prior to signing and deliver to your squadron Supply Technician upon your return.

6. Action

a. Each Pilot, Flight Commander and Aircraft Commander is required to complete the Card User Certification Course located at [https://www.navsup.navy.mil/ccpmd/air\\_card/training](https://www.navsup.navy.mil/ccpmd/air_card/training), read, initial, and sign the Card User Statement of Understanding (enclosure (1)) and read the Air Card User Guide (enclosure (2)). These documents will be included in the Wing Admin and Squadron Admin check-in packages and will be forwarded for filing to the Wing Air Card Agency Program Officer (Budget Office).

b. On a weekly basis, the respective squadron supply technicians will review all fuel receipts for accuracy. If signature is missing or illegible, they will contact pilot for signature. All discrepancies identified by the Supply Technician or Accounting Official will be resolved by the Supply Technician prior to sending receipt to the Wing Budget Office. All receipts will be hand delivered to the Wing Budget Office prior to close of business every Thursday.

#### AIR CARD PROCEDURES

1. When traveling to an unfamiliar area, check the AIR Card website for available commercial vendors that accept the AIR Card. If none are available, contact the AIR Card Support Team for prepay options and fuel arrangements.

Cardholders are required to use a DESC Into-plane Contract merchant where one is available. A current list of contract merchants and their locations is listed at [https://ports.desc.dla.mil/ip\\_cis/ipcis.htm](https://ports.desc.dla.mil/ip_cis/ipcis.htm).

2. Present the AIR Card to the Fixed Base Operator (FBO) or fuel handler for authorized fuel and/or ground service purchases. FBOs and Agents have been trained on acceptance procedures. They will collect transaction data and provide you with a paper ticket, itemized with your purchases.

3. Review and, if accurate, sign the paper ticket. Return a copy of the paper ticket to your home station Supply Technician for validation purposes.

4. Report any changes of address, change of Accountable Official, or transfer of aircraft to DESC at the time of change.

#### AIRCREW RESPONSIBILITIES

Present the AIR Card for all fueling and ground service support at commercial airports.

You are responsible for determining in advance whether a DESC Into-plane Contract merchant is available for refueling support prior to the mission.

You are responsible for ensuring that receipt documentation accurately reflects the supplies/services rendered. One receipt will be executed for fuel and/or authorized ground services.

You are responsible for obtaining paper ticket receipts for fuel and authorized ground services and for turning these into your Accountable Official for validation purposes.

#### EMERGENCY PROCEDURES

If you cannot locate an AIR Card Contract merchant or are refused for fueling, call the AIR Card Support Team.

Toll-Free: +1 866-308-3811

After hours (MSC Operations): +1 888-767-1982

Fax: +1 913-217-9308

In the case of a lost or stolen card, contact the AIR Card Support Team immediately at 1-866-308-3811.

#### ETHICAL RULES FOR DEALING WITH FBOs

Executive Order 12731, 17 October, 1990, entitled "Principals of Ethical Conduct for Government Officers and Employees", clearly identifies the standards of conduct expected of flight crew members.

Aircrew, flight/aircraft commanders, and crew chiefs are considered government procurement officials in that they order the fuel and other supplies and commit the Government to purchase those items.

As ordering officials, they shall not accept gratuities.

Aircrews, pilots, flight/aircraft commanders, and crew chiefs should report any offers of illegal gratuities to the DESC Contracting Officer or the DESC Fraud Counsel. To report any suspected fraud, waste, or improprieties, please call 1-800-2-TOPOFF, ext. 3.

By law, each DESC Into-plane contract contains a Gratuities clause which provides that a contractor who offers gratuities in order to obtain favorable treatment under a contract shall have the contract terminated and exemplary damages of three to ten times the cost of giving of the gratuity.

JUL 30 2009

Government employees shall make no unauthorized commitments or promises of any kind with intent to bind the Government. Government employees shall avoid any actions creating the appearance that they are violating the law or the ethical standards in effect.

#### FREQUENTLY ASKED QUESTIONS

Q. Where can the AIR Card be used?

A. AIR Cards can be used at both DESC Into-airplane Contract locations and Non-Contract airports worldwide. A list of locations with general information is available at [www.desc.dla.mil](http://www.desc.dla.mil). A list of Into-Plane Contract locations is available at: [https://ports.desc.dla.mil/ip\\_cis/ipcis.htm](https://ports.desc.dla.mil/ip_cis/ipcis.htm).

Q. Must I pay taxes?

A. Federal Civilian Agencies and the National Guard must pay Federal Excise Tax (FET) on aviation fuel for all non-contract or local purchases. The Department of Defense, Federal Civilian Agencies, and the National Guard are exempt from FET on all Contract fuel purchases.
