### TRARON NINE INSTRUCTION 1500.3G

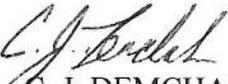

From: Commanding Officer, Training Squadron NINE

Subj: GENERAL MILITARY TRAINING (GMT)

Ref: (a) OPNAVINST 1500.22 (Series)

Encl: (1) VT-9 Annual General Military Training Topics

1. Purpose. To provide direction for administering the GMT program for squadron personnel.
2. Cancellation. TRARONNINEINST 1500.3F
3. Objective. GMT is an integral part of total military training. It supports development of individual readiness and, in effect, the broader requirements of combat readiness. The initial indoctrination and military training of Navy personnel must be reinforced and updated on a continuing basis throughout their naval career.
4. Scope. As per reference (a), GMT will consist of those topics listed in enclosure (1). Personnel will be scheduled for GMT sessions whenever practical.
5. Action. The Standardization and Training Officer will organize, schedule and supervise the Training Squadron NINE GMT program. He/She will document course completion via Fleet Training Management Planning System (FLTMPS). Command delivered training can be recorded in FLTMPS via submission of learning event completion forms. Detailed instructions on the FLTMPS submission process are available on the FLTMPS website: <HTTPS://NTMPSWEB.NTMPS.NAVY.MIL/FLTMPS> or contact the FLTMPS support office at 1-866-438-2898 for assistance.
