CNATRA NOTICE 1542

Subj: TRAWING SIX STRIKE FIGHTER PIPELINE PROFICIENCY TRAINING PROGRAM

Ref: (a) CNATRANOTE 1500.4H  
(b) CNATRANOTE 1542.164A

1. Background. The T-45 fleet currently faces significant airframe limitations to training due to its On-Board Oxygen Generating System (OBOGS) and associated physiological episodes experienced by its aviators. It is recognized that flying skills are perishable; especially with low total flight hours. All Strike Fighter Pipeline Student Naval Flight Officers (SNFOs) will be afforded the opportunity to maintain their skills with limited simulator and flight events.

2. Purpose. This notice authorized the initiation of a program to ensure the maintenance of key aviation skills set for Strike Fighter SNFOs at TRAWING SIX until such time as restrictions on the T-45 flight envelope are rescinded and normal training flights resume.

3. Applicability. This program applies to all U.S. Navy and Marine Corps SNFOs and IMSS enrolled in reference (b).

4. Cancellation. This notice shall remain in effect for one year, until cancelled, or superseded by a CNATRANOTE with the same subject.

5. Training Events. All events shall be coded as appropriate Stage Extra Training (ET) events utilizing the Modifier 87-Supplemental Sortie (e.g. FAM4187). Clone the last completed event in the selected block of training. Ensure an equitable distribution of ET events among all students affected to the extent practicable.

a. Simulator events may be conducted in the stage the SNFO is currently enrolled in, or in any stage which has already been completed. ET events shall be a complete training event, to include a full brief and debrief, and shall utilize a Contract Instructor and an Instructor NFO or Pilot as applicable to the stage.

b. Flight events may be clones of any previously completed stage event, but flight profiles shall be in accordance with current restrictions as delineated in COMNAVAIRSYSCOM Flight Clearances or CNATRA directives.

6. Training Execution.

a. Aviation Training Forms (ATFs) shall be generated and graded as any normal training event and placed in the student's Aviation Training Jacket (ATJ).

b. Substandard Performance. Cases of substandard performance will be addressed by squadron Commanding Officers for cases of poor preparation or judgment, or for non-stage currency related unsatisfactory performance. A counting Unsatisfactory ATF will be produced at the Commanding Officer's discretion in accordance with reference (a).

c. A copy of this notice shall be filed in the student's ATJ.

7. Program Termination. This program will be terminated via separate correspondence upon further guidance from CNATRA.
