CNATRA NOTICE 3710

Subj: CENTENNIAL OF NAVAL AVIATION SUPPORT OPERATIONS BY
NATRACOM AIRCRAFT

Ref: (a) CNATRANOT 3710.2U

Encl: (1) Centennial Gala Events

1. Purpose. To establish policy for Chief of Naval Air Training (CNATRA) governing the support of the Centennial of Naval Aviation (CONA) events during the 2011 season.
2. Policy. The Chief of Naval Air Training fully supports events honoring the Centennial of Naval Aviation (CONA). Enclosure (1) lists the Centennial Gala Events and Tier 1 Events. Ensure CONA aircraft participate in this years centennial events to the maximum extent practical and per reference (a) and all other CNATRA instructions. As most paint schemes are not easily appreciated from afar, the best way to highlight the CONA aircraft and provide maximum exposure is by static display. Training Air Wings are expected to fly student training events to and from centennial event locations. Flyovers of CONA aircraft are not encouraged although requests may be authorized on a very limited basis.
3. Cancellation Contingency. This policy will remain in effect until 31 December 2011 or cancelled by other directive.

A handwritten signature in cursive script that reads "Thomas E. Broderick".
