GENTEXT/REMARKS/

1. Per reference (a), the Naval Air Training Reserve Component Commander will convene a Selected Reserve Naval Aviator and Selected Reserve Naval Flight Officer Selection Board on 21-22 March 2019. The board will select instructor pilots for the following aircraft and training air wings: T-45 at TW-1 and TW-2; T-6 and T-44 at TW-4; T-6 and TH-57 at TW-5; T-6 and T-45 at TW-6. This board will select Naval Flight Officers for the T-45 VMTS and VT-4's Multi-crew Simulator (MCS) mission at TW-6. Selection of eligible candidates is based upon "best and fully qualified."

2. All applicants shall have an approved separation letter prior to the board. All applicants should be capable of affiliation within 6 months after this selection board's convene date to be eligible. Selections will be based on best qualified with previous instructor experience in the training command or FRS and currency in NATRACOM aircraft type/model being highly desirable.

3. Aviation officers from other services whose qualifications are equitable to Naval Aviator or Naval Flight Officer designations are welcome to apply but must have completed an Inter-Service Transfer Pre-screening Questionnaire with the regional Navy Reserve Officer Recruiter prior to applying to the CNATRA RC ASB. Point of contact is NCC John Oestereicher; OfficerNavet.fct@navy.mil; (901) 874-7653.

4. A sample application letter and required enclosures can be viewed/downloaded on the CNATRA Reserve Component web page at https://www.cnatra.navy.mil/reserves/ (all lower case) or from ref (a). Reference (a) can be found on the web at https://www.cnatra.navy.mil/local/docs/instructions/3740.8.pdf. The application must include fitness reports from previous five years not previous five FITREPs.

5. Application deadline is close of business, Friday, 01 Mar 2019. Preferred method to submit application packages is to be sent electronically (single scanned PDF format preferred) via Army Research Laboratory Safe Access File Exchange (ARL SAFE) https://safe.arl.army.mil/. CAC login is not required to use this service. Upload files and input to applicable Training Wings points of contact listed below. If sending application electronically is not possible, send application packages (via USPS, FedEx or UPS):
