

TRAWING FIVE

Electronic Kneeboard (Tablet) Program

Tablet/Leg Strap/Flight Program/NVIS Filter Authorization List

-Information current as of July 23, 2018.

REF: COMTRAWINGFIVEINST 3710.19A

1. Approved Tablet List for T-6B, TH-57B and TH-57C:

- a. iPad Mini series
- b. Samsung Galaxy Note 8
- c. Samsung Galaxy Tab-S series

-For inquiries regarding adding additional tablets to the TW-5 authorized list contact your squadron EKB representative. All tablets must first be approved by NAVAIR.

-For an updated list of NAVAIR approved tablets: <https://mps.navair.navy.mil/ekb/>

-For all new tablets, an Electromagnetic Safety of Flight Test (EMC Test) is to be conducted in each Type/Model/Series prior to Wing authorization. These tests are coordinated by TW-5 N7. Contact your squadron EKB representative to coordinate this test with desired NAVAIR approved tablet.

2. Approved Leg Straps for T-6B, TH-57B and TH-57C:

- a. MyMil Clip
- b. Sky High Air Genesis Leg Strap
- c. My Go flight Leg Strap
- d. Otterbox Utility Series Latch II
- e. iPad Mini Slimline Kneeboard - Sporty's Pilot Shop
- f. Tactical iPad Mini Cover 120PAD, from Flying Circle Bags
- g. Standard Clear Instrument Strap
- h. Standard/Modified kneeboard (must have Fit check)

-For inquiries regarding adding additional leg straps to the TW-5 authorized list contact your squadron EKB representative. All leg straps must complete a Fit check by the squadron EKB representative to ensure compatibility in the aircraft. See enclosure (2) of the instruction for leg strap FIT check instructions. Once the strap has successfully passed the check, the name of the strap can be added to the list.

3. Approved In-Flight Programs for T-6B, TH-57B and TH-57C:

- a. Foreflight

- b. Garmin Pilot
- c. Wing X Pro
- d. FlyQ EFB
- e. FlightPro
- f. Avare
- g. Flt Plan Go
- h. Kill Switch
- i. Cloud Ahoy
- j. DOD Aero App (PHARO)
- k. Any pdf reader application

-For questions regarding these flight applications or inquiries regarding additional flight programs, contact your squadron EKB representative. All flight programs must be pre-approved by TW-5.

4. Approved NVIS filters for TH-57B and TH-57C:

- a. WAMCO P/N FPDC212-IPM-002 for iPad Mini
- b. KORRY NIGHTSHIELD P/N 50051-001 for iPad Mini

-For questions regarding NVIS filters, contact your squadron EKB representative. NVIS filters are required while wearing NVGs.

-For more information regarding the tablet airworthiness process and the current Interim Flight Clearance can be found at: <https://airworthiness.navair.navy.mil/>

-For any additional questions concerning the TW-5 EKB program contact your squadron EKB representative (Training) or you can also contact the TW-5 N7 department for more information at 850-623-7056.
