

Welcome to the Sabrehawk family!

I am your Navy Family Ombudsman for VT-86. I have been a military spouse for over 4 years and have experienced some of the ups and downs that come with being part of a Navy Family. If you are not familiar with the Ombudsman program, the Ombudsman is designated by the Commanding Officer to serve as a communication link between the command leadership and the command family, in addition to being a trained Information and Referral Specialist. Ombudsmen are advocates ready to support, direct, and empower you and/or your family with all available resources.

While serving in the role as Ombudsman, I am committed to supporting our command's mission. As Ombudsman, I must follow the guidelines of the confidentiality as required by the Privacy Act and the Navy Family Ombudsman Program. I will be available to you 24 hours a day via email or phone, so please don't hesitate to contact me. I truly look forward to meeting you and providing assistance as needed during your time as part of the Sabrehawk family.
